Update #14

NOTE: Dick & Mary Metz's daughter, Vicki Sterett 30, was in a terrible car accident in Maryland this past week. Vicki suffered a double skull fracture, brain trauma, fractured pelvis & vertebrae, Broken arm, punctured lung and severe lacerations. She is alive but in a coma. We are asking everyone to Pray for Vicki. Prayer is a powerful medicine. Please provide Vicki with the medicine she needs to recover from her injuries. ---- The Metz's tribulations do not end here. Their 9 year old grandson Ronnie is afflicted with Fanciness Anemia. He just returned from a "Make A. Wish" trip to Japan and is now awaiting a bone marrow transplant. At present they have 3 donors who meet 5 of 6 points of the transplant criteria. Let's pray that God will provide a donor that matches 6 of the 6 points which will give Ronnie a much better chance of surviving the operation. God Bless each of you for your commitment to save these young people through Prayer.

Update #15

We are departing San Francisco for Hof, tomorrow (Sept 14) evening. We will be able to continue with the updates while on vacation thanks to Sam Suber. Sam has agreed to check the Hof Reunion Activity PO Box and keep us posted on activity. Thank you Sam.

Kudos and a big thank you to the following Search Committee Members for their outstanding work in locating missing people.

Dick Metz 27
Gordon Allbritton 19
Jack Nelson 4
Mike Becker 2

Please continue the prayer vigilance for Vicki and the entire Metz family.

UPDATE: From Dick Metz: Update on Vikki is that she was in what the doc's call a "light coma" for a couple of days. It's something like a deep sleep, but where you are still moving your limbs around. They still had the ventilator tubes from the life support and feeding tubes in her mouth and she just bit through them. In the process she also bit through her tongue. It's bad enough that they have to remove the tubes and put stitches in her tongue.

They are installing a trachia tube tomorrow so they can remove the tubes. The tubes are also causing a danger to her vocal cords, another reason to remove them. They sedated her heavily to stop her from moving around so much. That's where she is now with this. We hear from the son-in-law every day. He's very good at keeping us up-to-date on any changes.

UPDATE: In view of the Terrorist, 11 September "Act of War" against the United States, some of you may have second thoughts about the wisdom of holding the 2002 Hof Saale Reunion. After consulting with several people on the "Definitely Participating" list, we will continue with the planning process. Feedback & suggestions welcome.

Update #17

Update: Thanks to Hanns Karl Ritter, Robert Hoerath, Erika Thuemling, & Manolya Kara for their assistance with planning the 2002 Hof/Saale

Reunion.

The dates for the reunion are from 15 thru 21 September. Details will be provided at a later date.

Note: The September 11th attack on the WTC may cause us to reevaluate the wisdom of having a 2002 Reunion in Hof Saale. However, for the time being, we will continue with plans for a 15-21 September 2002 event.

If your name is on the "Definitely" plan to participate or "75% or better will Participate" list, please send an email expressing your present plans and feelings. If you feel it would be wise to CANCEL the Hof/Saale reunion plan, let us know immediately. We still have time to cancel Hof/Saale plans and make arrangements to have the 2002 Reunion in the US City selected for the 2003 event.

December 11, 2001 Update #21

Explanation: As most of you know, we received a virus scare last month. After updating and running our Norton on our system, we could not detect a virus. We then had a Computer Systems Tech (Neighbor) check our computer. He said, "the system is 'clean' and does not have a virus." We did not want to take a chance so went to Comp USA. The Comp USA Technicians told us, "You do not have a virus on your system." We do recommend that you update your Anti-virus Program and be sure the settings are correct for scanning email.

Note #1 - 2002 Hof/Saale Reunion details will be published in the Hof Connection Newsletter and mailed January 9th. We will also mail a copy of the proposed Hof Reunion Association Constitution and By-laws which will become effective after a ballot has been presented to the membership. --- We have at least one candidate for each office but would like to have two candidates for each position. If you are willing to serve, please submit your name before December 28th. Indicate the position: President, 1st V. P., 2nd V.P. 3rd V.P., Secretary (work we are doing), Treasurer, Membership Chair.

Note #2 - We are members of Bestfares.com, an Internet source for

purchasing discounted airline tickets to most locations. Here is some key information you need to know when using Bestfares.com. The Generic "Username: (December=clear) and "Password: (December=sailing) changes every month. The December username and password can be used until about January 10th. At that time, we will send out the new Generic Username & Password. The Username & Password is important once you click on "Purchase This Fare." You provide the "clear" "sailing" and the telephone number for purchasing the ticket will appear. Go ahead and try the web site out. Type Bestfares.com into your browser and look the fares over. Don't be afraid to click on "Purchase this fare" to the extreme right side of the page you are reading. Enter the Username (clear) & Password (sailing). Lower case letters only on Username & Password. Check Bestfares out. We do not recommend that you join. Membership is about \$57 a year. We will provide you with the Username & Password "Free" each month.

we like our Travel Agent better because they may be able to beat Bestfares rate.

we will provide the phone number with the January, Hof Connection Newsletter

January 11, 2002 Update #24

Note #1 - The incoming Board of Directors have voted to increase membership dues to \$15.00 , effective 1 October 2002. The increase is necessary to cover rising printing cost, postal rates, insurance, and other operational expenses.

Note #2 - When you received the Hof Connection Newsletter, Master Hof

 per
 person deposit by February 15th. If you plan to participate in the
 Prague
 tour, be prepared to mail your \$50.00 deposit per person by February 7th.
 Make check or money order payable to Cwilson/Hof Reunion Asso. And mail
 to
 Hof Reunion Association, PO Box 276883, Sacramento, CA 95827-6883. The
 balance of \$75 dollars is due not later than 1 July 2002.

All deposits are 100% refundable up to 1 July 2002. Cancellations after
 1
 July to
 10 August will require a forfeiture of \$30.00. Cancellations after 10
 August
 to 25 August will require a forfeiture of \$50.00. Any cancellation after
